

### **CSR towards “SHAHEED KI BETI”**

Our Soldiers are our pride. I don't have words to thank you. It's their selfless love towards our nation that makes them to offer the supreme sacrifice for us! It's their bravery, courage, best skills perfection and excellency that makes them special and eligible to serve our motherland.

A initiative “SHAHEED KI BETI” of providing financial support to the girl child of the martyrs for her higher education or for any other purpose is really unique idea of Institute of Company Secretaries of India.

Astron Paper & Board Mill Limited appreciates the noble initiative, being a corporate body, we are happy to contributing in this unique fund for the purpose of Corporate Social Responsibility. This is really worth.

It will create a lot for the girl child of martyrs if society at large will start contributing in this initiative

**Testimonials from the volunteers who have donated for  
“Shaheed Ki Beti” initiative of the Institute.**

***Let's hear from Mitali Gandhi***

Whenever I come across the news of a soldier sacrificing their lives for our safety, my heart gets overwhelmed with feelings of gratitude towards their families. With this incredible touching gesture a thought stroked in my mind that because of their sacrifice we are able to celebrate our birthday happily, then how can I pay tribute to them?

So, this Birthday I decided rather buying a New Dress , I will pay tribute to female of martyrs. So that they can live with dignity. Further, My Dream got wings and on 4<sup>th</sup> October-2017 ICSI has announced an initiative called “Shaheed ki Beti” and with the full support of Sir Shyam Agarwal. I was able to do a little for them. I couldn't find a better option to pay them tribute although whatever I did is nothing in comparison to their sacrifice.

I am Proud of “शहीद” and “शहीदकी बेटी”

## Donation towards “SHAHEED KI BETI”

I was invited at the seminar organized by Rajkot Chapter of WIRC of the ICSI to take session on 'Understanding FEMA' on April 28, 2018. Before I started my session, I was awarded the certificate of “Shaheed ki Beti” when I came to know about the specialty of the certificate.

I was really amazed to know about this great initiative of the Institute of Company Secretaries of India of supporting the girl child of the martyrs. As we know our Indian Army and various wings of Armed forces are serving the Nation risking their lives. This initiative will help those martyr's family which all though is insignificant viewed in context of their sacrifice for our Motherland but this may be one positive contribution saluting the fighters.

I feel humble to donate a small token to this fund and to contribute in this great initiative.
